- **Capacity:** 17 marbles
- **Function:** Blowback with moving breech
- **Relaxation:** 4 lb
- **Length:** 21.6 cm
- **Weight:** 1 kg
- **Frame:** metal, aged finish
- **Safety:** ambidextrous + safety grip

A replica faithful to the original

Inspired by the iconic 1911 model, this CO2 replica by **SIG SAUER** faithfully reproduces the lines and behavior of the original pistol. Its **blowback metal slide** provides realistic recoil with every shot, while the **patriotic engravings** and aged finish add an authentic and distinctive touch.

Aged finish and "We The People" aesthetic

The design is striking: engravings of “ 1776 ,” “ We The People ,” and 13 stars on the slide, and grip panels with 50 embossed stars representing the United States. This replica captivates with its **unique style** , a blend

of historical homage and vintage appeal. It will appeal to collectors as well as shooters seeking a realistic shooting experience.

Blowback mechanics and realistic sensations

The **semi-automatic blowback** mechanism generates a realistic recoil impulse with each shot. The hammer automatically re-cocks, the slide recoils and stops when the magazine is empty: an experience close to real shooting, ideal for handling training.

- **Magazine:** metal, 17 rounds steel BB
- **Canon:** smooth
- **Sighting:** fixed 3 white dots
- **Disassembly function:** realistic terrain disassembly

FAQ

- **Is this model compatible with airsoft BBs?**

No, it works exclusively with 4.5 mm steel balls (BB).

- **Can the weapon be disassembled like a real one?**

Yes, it has a functional field dismantling system for maintenance.

- **Do you need a shooting license to buy it?**

No, this CO2 replica with steel BBs is available for sale to adults without a license.
