*PS: Please Note: Parts installation/assembly/assembly of airsoft gun will require intermediate knowledge; for expert gunsmith or airsoft. Please refer to your airsoft gunsmith for proper installation/mounting. Adjustment may be necessary as the condition of each airsoft gun may be different. Regular maintenance is necessary for all airsoft weapons to keep them in good working order and to reduce problems with wear and tear on parts. Actual performance is based on the overall tuning of your airsoft gun. Please consult your airsoft gunsmith for advice.
