**Enhance your shooting sessions with this sturdy foam target, featuring a solid wood frame and reinforcement strips for exceptional durability.**

The **60x60x30 cm foam target with a wooden frame and reinforced bands** is designed to offer archers a durable and high-performance solution. Its high-density foam structure ensures excellent impact absorption, while the solid wood frame and reinforcing bands guarantee increased stability and longevity. Ideal for intensive training, this target meets the needs of archers of all levels.

- **Dimensions** : 60 cm (width) x 60 cm (height) x 30 cm (depth)
- **Target material** : High-density foam
- **Frame** : Solid wood
- **Reinforcements** : Tensioning bands for better cohesion
- **Weight** : Less than 10 kg
- **Usage** : Suitable for all types of bows and draw weights

### Compliance with Official Standards

The **World Archery 60cm target face** is strictly compliant with World Archery specifications, ensuring an authentic training and competition experience. The standard 10-zone centre allows for accurate assessment of shooting performance, essential for archers looking to improve their accuracy.

### High Quality Materials

Made of high-quality reinforced paper, this shield offers increased resistance to repeated punctures, ensuring a long life even during intensive use. The bright colors and clear demarcations of the scoring zones improve visibility, making it easier to identify impacts from a distance.

### Versatility of Use

Whether for daily training sessions or official competitions, this 60cm target face is suitable for various archery disciplines. Its standard size makes it a preferred choice for archery clubs and individual archers looking to replicate competition conditions.

## Advantageous Packaging

Available in a pack of 100, this target face offers excellent value for money for clubs and intensive archers. This quantity provides enough targets for extended training sessions or to equip multiple targets at events.

## Why Choose the World Archery 60cm Blason?

- **Accuracy** : Scoring zones conform to international standards for accurate performance assessment.
- **Durability** : Robust materials resistant to repeated shots.
- **Visibility** : Bright colors and sharp lines for easy identification of impacts.
- **Versatility** : Suitable for daily training and official competitions.

By choosing the **World Archery 60cm target face**, you are investing in top quality equipment, essential for the development and perfection of your archery skills.
