The perfect ally for airsoft players for quick and organized transport in the field.

Designed for airsoft players looking for **practical and durable equipment**, the Corso bag combines discretion, robustness and functionality. Its tactical nylon fabric withstands repeated handling, while its numerous compartments allow you to organize BBs, magazines, scopes or mission cards.

■ **Material** : High-strength nylon

■ Closures : Quick Velcro

■ Color : Tactical Black

■ **Compartments** : Multiple (main pocket + modules)

■ Carrying : Adjustable shoulder strap

Specially adapted to airsoft games in urban or forest environments, the black Corso tactical shoulder bag offers players an effective and resistant carrying solution. It is part of the ideal equipment for carrying replica accessories, dummy grenades, communication radio, or even medical equipment. Its sober and functional design fits perfectly into a tactical outfit, while remaining discreet enough not to hinder movement.

Compatible with Milsim outfits, it allows players to gain efficiency and reduce their intervention time, thanks to accessible and quick Velcro. An ideal option for scenarios requiring responsiveness and good equipment management.
