Optimize your equipment with the Hook Laser MK1 belt, combining comfort and modularity for your tactical missions.

The Corso Tactical Hook Molle MK2 Tactical Belt is designed to provide a versatile carrying solution for airsoft players and professionals. Its innovative design incorporates a dual belt system with internal Velcro, ensuring a custom fit and optimal support during movement in the field.

■ Main Material : High strength polyester

■ **MOLLE system**: Two rows for modular attachment

■ **Buckle** : Metallic "cobra" type for a secure closure

## Available sizes:

-S/M: Adjustable from 88 to 110 cm -L/XL: Adjustable from 98 to 130 cm

■ **Width** : 45 mm

■ Available colors : Multicam Black

Featuring a two-row laser-cut MOLLE system, this belt allows for efficient and customizable attachment of various accessories such as pouches, holsters or other tactical equipment, thus meeting the specific needs of each user.

Made from **high-strength polyester**, the Hook Laser MK2 guarantees **exceptional durability** while maintaining a light weight. Its **metal "cobra" buckle** provides a **secure and robust closure**, essential for demanding activities.

At **45mm** wide, this belt is designed to easily pass through standard belt loops on tactical pants, providing **added stability** when moving.

## Comparison of MK1 / MK2 / MK3 versions

Features Hook MK1 Hook MK2 Hook MK3
