High-end Hi-Capa GBB — Tokyo Marui accuracy, reliability and compatibility.

5.1" **Gas Blowback (GBB)** replica designed to offer accuracy, realism and maximum compatibility with **Tokyo Marui Hi-Capa** parts.

- **Operation:** Gas Blowback (GBB)
- **Firing Mode:** Safe / Semi-Automatic
- **Length:** 222 mm (5.1" barrel)
- **Weight:** 966 g (with charger)
- **Structure:** **CNC aluminum** cylinder head and reinforced polymer frame
- **Internal parts:** MIM steel for increased strength and durability
- **Grip:** Ergonomic textured **nylon-fiber** polymer
- **Sights:** front and rear fiber optic
- **Lower rail:** Picatinny for lamp or laser
- **Hop-Up:** adjustable for optimal precision
- **Internal barrel:** 6.03 mm **EnduraHeat Nitride Treatment (ENT)**
- **Compatibility:** Standard Tokyo Marui Hi-Capa parts and chargers
- **Magazine ejection:** ambidextrous

The **Arcturus Vanguard 5.1" GBB pistol** combines a modern design, reliable mechanics and exemplary compatibility with **Tokyo Marui Hi-Capa** parts. Designed for experienced players and lovers of realism, it offers smooth and responsive behavior with every shot.

Construction and performance

Its **CNC-machined aluminum slide** and **MIM steel internals** ensure superior wear resistance. The **6.03 mm ENT inner barrel** improves accuracy and range, while the **adjustable hop-up** system allows for fine-tuning of pellet trajectory.

Ergonomics and comfort

The **nylon-fiber** polymer grip provides excellent grip and lasting comfort, even during extended sessions. The ambidextrous magazine release makes the replica equally suitable for right- and left-handed users.

Compatibility and customization

The **Vanguard 5.1"** is compatible with the majority of **Tokyo Marui Hi-Capa parts** : magazines, barrels, valves, springs, triggers, etc. An ideal base for custom enthusiasts or competitors wanting a highly modular GBB.

Recommended maintenance

Clean and lubricate the cylinder head and gas valve regularly. Use gas suitable for the ambient temperature and periodically check the gaskets to maintain performance and durability.
